(September 19, 1916.)

On the night of August 19th. 1916, an aged Chinese vegetable peddler was murdered at Honcut, in this County, and his house burned after the murder. I am interested in getting a line on a Chinese Highbinder by the name of Young Now, described as being aged about 37 years, but looks to be possibly ten years younger; height about 5 ft. 9 or 10 in; thin raw-boned; face long; forehead high; hair very black and usually well trimmed, but very stiff and bushy, and stands out from his head; complexion dark, more like an Indian. I have been unable to find out as yet what Tong this man belongs to. He has cooked at various places in Butte County, and has had the reputation of being erratic and has been also looked upon as being a mean man. He at one time owed the deceased man, Ah Gow, \$200, and was always talking about trying to get more money so that he could go back to China. The murdered man was not a Highbinder, but belonged to the Gee Wah Tong Co.

Any information that I could get about this Chinaman would be gratefully received.

August 22, 1916

Very truly yours,

D. A. Riddle
Sheriff of Butte County, Cal.

ARREST FOR FORGERY--REWARD \$25.

No. 839—J. Matsda (Japanese)

The California Bankers Association will pay a reward of Twenty-five Dollars for the arrest and conviction of **J. CASHIERS AND TELLERS TAKE NOTICE

A very clever scheme is being operated successfully by a Japanese, whose method is to enter a camp of Japanese workmen and while they are absent at work, ransack their suitcases and trunks. He takes various articles of value but more particularly **ALL pass books** that have been issued by banks to such Japanese depositors. He immediately proceeds to the bank where he falsely represents himself as being the depositor, presents the stolen pass book and asks for his statement. After receiving same he makes out an order for the entire amount of the balance, signing the depositor's name which he copies from the cancelled vouchers should there be any. He is likely to appear in another community and attempt to repeat the performance.

THE FOLLOWING IS A GOOD DESCRIPTION OF J. MATSDA:

Age 24 years,
Height 5 feet, 3 inches,
Weight 140 pounds,
Complexion Very dark,
Hair Dark,
Eyes Dark,
Build Medium,
Peculiarities Noticeable scar one inch long back
of left jaw; large lips and sharp
features.

J. Matsda is a professional gambler. When last seen was wearing a dark gray suit and plaid cap; neat appearing and speaks good English.

If located, arrest and notify the undersigned, or Sheriff A. B. Langford, San Jose, Cal., who holds warrant for the arrest of J. Matsda, charged with FELONY; to wit, FORGERY.

Issued by order of the

PROTECTIVE COMMITTEE, CALIFORNIA BANKERS ASSOCIATION,

FREDERICK H. COLBURN, Secretary.

Following is a good description of the Chinaman: Name, Chan Young, sometimes known as Ah. Young, also Ah. Sing; age, 38 years; height, 5 ft., 3 or 5 in.; weight, 135 lbs.; medium build; complexion, reddish brown. Has straight, black hair which he wears American style. Squint eyes. Eyes water considerably, and he has a habit of wiping them often. Has a pleasant appearance, very polite, and smiles when conversing. Shortly after the shooting took place, this Chinaman attacked a Hindu. In the scuffle Chan Young's right thumb was bitten, and there will appear two fresh wounds made by teeth.

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

ELIMATH AGENCY OREGON

May 28, 1918.

Chief of Police,
Sacramento, Calif.

Dear Sir:

On May 19th, a full-blood Indian by the name of Reynold Mose left this reservation, in company with a half-blood Indian girl, Evaline Lang. They were not married, and information thus far received indicates that they have not been married since they left here, and that they are living together somewhere in your city. I have been unable to ascertain the exact whereabouts, but am writing you in the hope that you may be able to locate them, possibly through other Indians should there be any at Sacramento. Reynold Mose is about 24 years of age, about 5'9" in height, and weighs about 155 pounds. When he left here, he wore a brown suit. Evaline Lang is 17 years of age, about 5'6" in height, and weighs about 135 pounds. When she left here, she wore a green cloth coat with black velvet collar, an old rose color dress, and high shoes with white leather tops.

If you locate them, please call upon them immediately for evidence of marriage, and if they do not produce that I request that you arrest and hold them, charging Reynold Mose with violation of the Mann, or white slavery, Act in the Federal Court. If they are located, please advise me by wire, at my expense, indicating the action taken.

Very respectfully,

J. M. Mose
Superintendent.

WANTED FOR VIOLATION OF PROBATION AND BURGLARY:

We hold felony warrant for Frank S. Higashi, a Japanese. This is a very foxy jap, as will be shown by the following: He was arrested for burglary here on October 7th, 1918, and, while the officers were never able to get the goods on him, they were sure he robbed a room at the New Meyer Apts., where he was employed as Janitor. He was dismissed on this charge, but the next day three Japs came down from Los Angeles and what they did to Higashi, will probably never be known, but at any rate he confessed to them, produced the Jewelry and some other stuff that had been missed at several robberies around the city, and then proceeded to disappear. He bought a new overcoat before leaving here. Then went to Huntington Beach, where he left his clothes on the pier and we have never heard anything of him since. We do not believe this Jap bought a new overcoat to commit suicide in, but that he left his clothes on the pier as a blind. Other Japs here think the same, and they also think he is somewhere in the mines in Arizona or Nevada.

At any rate, wherever he is, this Jap is sure to get into trouble, sooner or later for he cannot resist the temptation to steal, no matter where he may be. The other Japs do not like him and will assist in bringing him to Justice. He has been in trouble ~~and~~ in California many times, but nearly always has been too foxy to get as far as San Quentin.

His description is as follows: Age 33; height 5.1 1/4; maroon eyes; black hair; weight 105 lbs; yellow complexion; 3 vaccination scars upper left arm; mole on back of neck; birth mark back of right shoulder; Finger Prints: 1 U 14 1 Ua

To get a positive identification, take his finger prints, and send to me, or to Dept. of Justice, Loveworth, Kansas; or to California State Bureau of Criminal Identification, Sacramento, California.

I enclose a good photo of this Jap, and if he is apprehended at any time, we want him, badly, and will send an officer after him. Kindly notify,

C. E. JACKSON, Sheriff.,
Santa Ana, California.

NEVADA BANKERS' ASSOCIATION

OFFICE OF THE SECRETARY

RECEIVED BY
CHIEF OF POLICE

DEC 12 1920

WARNING!

RENO, NEVADA, November 19, 1920.

TO THE MEMBERS ADDRESSED:

Look out for a Japanese using the name of Geo. Sata. On November 12, 1920, this man sent for collection, through a Bank in Reno, a check for \$2,000.00 drawn on the McKinley County Bank of Gallup, New Mexico. On November 13, 1920, through the same bank, he drew a draft on the Fresno Savings Bank of Fresno, California, for \$12,500.00 which was handled in the same manner as the first item—**FOR COLLECTION ONLY**. Both items have been returned, the first with the notation "NO FUNDS", the second for the reason "UNABLE TO LOCATE ACCOUNT". He was given for these items, by the collecting bank, NON-NEGOTIABLE receipts which no doubt are still in his possession and it is believed that he will again attempt to use them to aid his present plan of obtaining money. So far as we are informed, no banks have suffered any loss but others have.

He is an exceptionally good looking Japanese, dresses well, speaks good English and assumes an air of being very wealthy. He claims to have sold a ranch in California for \$32,000.00 and talks business in large figures. In his conversation with some of his victims he stated that he was about to purchase one of Reno's very valuable pieces of real estate with the intentions of building a large hotel, and incidentally displayed the above-mentioned receipts.

During his short stay in Reno, he purchased an automobile for \$1850.00, but luckily the car was not delivered to him; gave his check for \$25.00 to a garage man, and another check for \$25.00 to a restaurant man; beat one of our leading hotels out of three days' lodging and borrowed money from the bell hops. When issuing checks locally he was very careful to explain that he had no money in the bank at the present time but that when returns were received on his collections, he would have plenty. The checks used by him on local people, were those of another bank in the city with the name crossed out and the name of the paying bank substituted.

HE IS DESCRIBED AS FOLLOWS:

Nationality—Japanese.

Weight—145 pounds.

Age—40 to 45 years.

Complexion—Rather fair for a Japanese.

Height—5 feet 4 or 5 inches.

Eyes—Right eye seems to be imperfect?

Build—Husky.

Hair—Dark, turning grey.

Wears slate colored overcoat, army style; and, tan shoes. A slight limp noticed in his walking.

If located, arrest and notify by telegraph, the undersigned, or J. M. Kirkley, Chief of Police, Reno, Nevada, who holds Felony Warrant for his arrest.

In all matters of this nature, I suggest that you consult the officers of the law in your city, and show them that you have confidence in them, they know the game and will be glad to co-operate with you in every respect.

Yours very truly,

L. S. REESE, Secretary.

IN RE: C. YAMATO

Sept. 19, 1923
The following brief appears in the September 3rd issue (Volume XVI - No. 3) of the publication of the Protective Department of the American Banker's Association, regarding a man who gave his name as C. Yamato.

"This person is said to be about 38 years of age, and of medium height. He recently called on a certain bank in New Jersey and presented to an officer of the bank a letter purporting to be from a bank at Calexico, California. Yamato, the letter said, had inherited a large estate, and the bank was enclosing its draft on the First National Bank of Los Angeles for \$11,500.00. It developed that this draft was a forgery, and the members of the American Banker's Association are keeping a close look-out for Yamato, if that is his real name. It would seem probable that he is somewhere in this part of the country, since the banks around here have been asked to keep a particularly close watch for him."

Make every effort to locate and arrest this man, request the cooperation of all Banks, Peace Officers and Rooming House proprietors in your district who cater to Japanese roomers, and if arrested wire the Bureau immediately.

Very truly yours,

W. J. BURNS,

Director.

Dan Black (Negro), 25 years of age, 5 ft. 6 in. tall, 130 pounds, smooth face, slim build, brown skin, wore dark cloth coat and soft hat. 494

On December 4th, he opened an account in one of our Savings Banks by making a deposit of \$5.00 and the following day returned with a check for \$98.60, drawn on the New York Trust Company Bank, 57th Street and Fifth Avenue, New York N. Y., signed New York Central Railroad Company, L. A. Robison, Assistant Treasurer, deposited \$15.00 of this amount and received the balance in cash.

The New York Trust Company is located at the above address and their checks are not printed like the one in question and they do not carry the New York Central Railroad Company's account nor is L. A. Robison assistant treasurer but is connected with the New York Central Railroad Company as general passenger agent. E. L. Rossiter is assistant treasurer of the Company and his name has also been used on the above described checks as several of them have been passed in different cities of this state.

Black represents himself as an employee of the New York Central Railroad and is usually accompanied by another negro whose description is unknown. The words NINETY EIGHT DOLLARS AND SIXTY CENTS are printed on the check by a protograph.

This man may have been an employee of the railroad company in the capacity of a Pullman porter as he is quite familiar with railroad fares. A warrant will be issued for his arrest in this city, on a Grand Larceny Charge.

MUNEIKI KOWABATA

Japanese

Bodily wanted for Assault to Murder on 3 charges
 (Arrested Birmingham Ala 4/24/25)

On the night of December 7, 1925, Kowabata shot his wife another woman, and also attempted to brain this woman's hand. This offense is all the more aggravated by the fact Kowabata's wife was about to become a mother. Both women are seriously wounded and may die. Above photos of Muneiki Kowabata are said to be a very good likeness. He would easily be taken for a Filipino, and in his passport he is described as follows: 5 feet, 3 inches; age, 36; weight, 130 lbs.; complexion, dark; hair, long, combed straight back; long features. All of his finger patterns are loops. Copy of finger prints not available. This man is a wrestler and as such is known as Sakurawa. The reward to be paid for his arrest and conviction. I hold warrant and will be for him at once. Notify me at my expense.

Dear Sir:-

On August 5th, 1927, one of our policemen was murdered by a negro he had taken in custody for larceny. Following is description of negro wanted for this murder.

Policeman Murdered

August 18th, 1927.

629

DAVID BERRY

DAVID BERRY, alias DAVID PERRY, alias David Parren, alias David Kennard. Uses names of Berry and Perry more frequently than other two. Berry said to be his right name.

DESCRIPTION:

Light brown skin, about 22 years of age, about 5 feet 7 or 8 inches, about 140 to 150 lb. Has 3 inch scar on back of right arm. Running abscess on left cheek, over which he usually, but not always, wears an absorbing patch, held in place by strips of adhesive tape attached to the skin. One tooth missing from upper right jaw.

NOTE: The sore on cheek is open and puss has been oozing from it for over two years. Will probably seek medical treatment at some hospital. The prominence of the sore makes identification easy.

The murder was deliberate, cold-blooded and without cause. The charge was only petit larceny and as the prisoner offered no resistance he was not handled roughly by the officer, who never had a chance to fight for his life, although he fired a shot at the fleeing negro before he died. The officer was shot through the heart while he was engaged in sending in a call for the patrol wagon.

The victim of this brutal murder was an affable, efficient and courageous officer, who had been commended a number of times for exceptional bravery, while his assailant is of a low type.

We are asking your co-operation and will appreciate it if you will instruct all officers under your command to be on the lookout for the negro with the sore described above and should you take him in custody, wire me immediately and an officer will be sent for him at once.
